CHAPTER
GEORGIA
9-12 PROJECT**

Who Are We?

- We are a group of Concerned Citizens from North Georgia, who believe in the 9 Principles and 12 Values as enumerated in the original Charter of Glenn Beck's "[The 9.12 Project.](#)"
- We believe our Country is in danger of turning into a Marxist or Fascist Nation, but we are empowered with the ability and desire to stop that from happening.
- We believe in the goodness of man, the exceptionalism of America, and the power of Almighty God to guide us through this battle.

Hello, and welcome to our very first newsletter.

In this brief edition, you will find the initial ideas and concepts behind our Organization. In subsequent newsletters we will address current issues, pending legislation, action-items and upcoming events in a more in-depth fashion. For now, welcome to the Member of the Marietta Chapter of the Georgia 9-12 Project.

ABOUT THE 9-12 PROJECT

This is a non-political movement. The 9-12 Project is designed to bring us all back to the place we were on September 12, 2001. The day after America was attacked we were not obsessed with Red States, Blue States or political parties. We were united as Americans, standing together to protect the greatest nation ever created.

That same feeling – that commitment to country is what we are hoping to foster with this idea. We want to get everyone thinking like it is September 12th, 2001 again.

Ask yourself these questions:

- Do you watch the direction that America is being taken in and feel powerless to stop it?
- Do you believe that your voice isn't loud enough to be heard above the noise anymore?
- Do you read the headlines everyday and feel an empty pit in your stomach...as if you're completely alone?

If you've answered YES, then you've fallen for the Wizard of Oz lie. While the voices you hear in the distance may sound intimidating, as if they surround us from all sides—the reality is very different. Once you pull back the curtain, you realize that there are only a few people pressing the buttons, and their voices are weak. The truth is that they don't surround us at all.

We surround them.
